

Student Service Project Grant

As part of its 25th Anniversary celebration, the Rotary Club of Daniel Island will award a \$250 Student Service Project Grant to a Daniel Island resident, or group of residents, under the age of 16 who wish to complete a hands-on community service project that benefits Daniel Island.

The grant is intended to help cover the cost of materials and supplies needed to complete the project. Applications must be submitted by an adult sponsor (age 21 or older) on behalf of the student or team. The application should include the sponsor's contact information and a brief description of the proposed project. Listing the names of participating students is optional.

Applications may be submitted online or by emailing to **dirotary1@gmail.com**

The winning project will be selected by the Rotary Club of Daniel Island and announced at the Daniel Island Speakers Series event in September. Grant funds will be awarded upon successful completion of the project.
